HUMAN SEXUALITY

We believe that God distinctly created human beings male and female (Genesis 1:27) and does not intend for people to assume a “gender identity” which is different than their God given biological design. Furthermore, we believe that marriage was designed by God to be a lifelong vow made only between a man and a woman (Matthew 19:6). We will not accommodate weddings between same-sex couples. We believe and will teach that the temptation of same-sex attraction is one of many forms of sexual immorality, and should be resisted and overcome. (Romans 1:24-27, 1 Thessalonians 4:3)
